SECTION 2

Limited Partnership Investment Overview

"NC Opportunity Fund LP holds a Class B limited partnership interest in Arcane Capital Partners LLLP. Period returns are allocated to NC's capital account under the Fund's standard waterfall, which applies a 30% trading fee to gross trading profits and splits the remaining net 70% to investors and 30% to general-partner economics. All NC period returns are retained as additions to capital account balance; no distributions were taken during NC's Arcane tenure."

Summary of the operating framework reflected in this report:

- NC Opportunity Fund LP subscribed to a Class B limited partnership interest in Arcane Capital Partners LLLP effective April 15, 2025, with an initial commitment of \$350,000.00 and subsequent additional capital deployments. NC was assigned Position ID 2196755 on the Juniper Square TPA system.
- Arcane Capital Partners LLLP deployed contributed capital across its trading program operated under the KIG Forex Trade Agreement dated January 27, 2025, with execution provided by SpyderTech.
- Monthly returns are calculated under the Fund's standard GPs Cuts waterfall: Gross Trading Return → 30% SpyderTech Trading Fee → 70% Investor Allocation / 30% GP Allocation of the remaining net. Effective NC investor share of gross trading return is approximately 49% ($70\% \times 70\%$).
- All NC period-return allocations have been retained as additions to NC's capital account balance throughout the Arcane reporting period; no cash distributions have been made to NC during its Arcane Capital Partners LLLP tenure.

SECTION 3

Capital Account Roll-Forward Support

The roll-forward below documents the calculation of NC Opportunity Fund LP's Class B capital account balance at the end of the reporting period. All amounts are stated to the cent per the underlying source records.

Roll-Forward Line	USD
Beginning Capital Account Balance	\$829,542.86
Capital Contributions (effective during period)	\$0.00
Distributions to NC	\$0.00
Period Return Allocation (per GPs Cuts / accounting source)	\$25,201.51
Other Adjustments / Reconciling Items	\$0.00
Ending Capital Account Balance	\$854,744.37

Source of period return. July 2025 period return of \$25,201.51 reflects NC Opportunity Fund LP's 70% allocation under the GPs Cuts waterfall: \$51,431.66 gross trading profit (6.20% on opening capital) less the 30% SpyderTech trading fee (\$15,429.50) leaves \$36,002.16, of which 70% accrues to investors and 30% to general partner economics. The two wire contributions received during July (\$64,951.00 received July 15, 2025 and \$149,943.00 received July 31, 2025) carry effective dates of August 1, 2025 and August 15, 2025, respectively, and are reflected on subsequent Armada Prime LLP reporting following NC's August 2025 transition.

SECTION 4

Manager Commentary

Capital Scale & Return Acceleration

July 2025 represented NC Opportunity Fund LP's third full month at Arcane Capital Partners LLLP and the final reporting period prior to NC's transition to Armada Prime LLP in August 2025. Beginning capital at July 1, 2025 was \$829,542.86.

The Fund generated \$51,431.66 of gross trading profit on NC's allocated position during July (6.20% on opening capital), the strongest single-month gross-return outcome during NC's Arcane tenure. After the 30% SpyderTech trading fee (\$15,429.50), the net allocable amount of \$36,002.16 was split per the waterfall: \$25,201.51 (70%) to NC's capital account and \$10,800.65 (30%) to general-partner economics. NC's effective net return for the period was 3.04% on opening capital.

No new capital was effective for NC during the July reporting period; the two wires received in July (\$64,951.00 received July 15 and \$149,943.00 received July 31) carry effective dates in August 2025 and are reflected on subsequent reporting. Ending capital account balance at July 31, 2025 was \$854,744.37. Effective August 1, 2025, NC Opportunity Fund LP's full position transferred to Armada Prime LLP, the successor fund vehicle, where Formidium-issued monthly NAV statements have been provided in the ordinary course since.
